EXPERIENCE

2009-2018

Heba Vs Reason | Content Creator

- Editing and producing content with help of web publishing tools.
- Maintaining a lifestyle blog that generates thousands of views and followers.

2011-2012

Think Tanks Monitor | Senior Writer

- Monitored publications and wrote executive summaries of weekly issues featured prominently in the news.
- Conducted background research including desk-based research, site visits and interviews.

2009-2010

AccuWeather | Journalist

- Saw that all news stories followed Associated Press requirements, stories were fairly reported, and that writing resulted in a balanced, accurate presentation of facts.
- Prepared interesting and informative news articles involving controversial, technical, or complex subject matter.

2005-2006

The Collegian | Senior Reporter

- Met demanding deadlines in a fast-paced environment.
- Developed and produced front page articles.
- Reported on complex issues in an interpretable and comprehensible format
- Conducted interviews in person and by telephone.
- Attended press launches and public meetings to gather diverse information.
- Assisted and guided a team of new reporters in their training process.
